SEVERE WEATHER CLOSURES: Under all but the most extreme conditions, school officials have a responsibility to keep school in session. When weather is bad, but school is open, parents must make a family decision regarding attendance or late arrival for their children. A call or a written note will excuse a student's late arrival or absence during these conditions.

When weather is severe enough to close schools, it is extremely important that working parents have pre-arranged child care available to them. School closures are announced on SFPS's web site at www.sfps.info and as well as local media affiliates. Notification is given prior to 7AM.
